

## **FISCAL NOTE**

TO: Chief Clerk of the Senate  
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 7, 1995

SUBJECT: **SB 1197**

This bill, if enacted, would seek to increase public knowledge of the availability of cultural registration plates by including information in registration renewal notices about such plates.

The fiscal impact from enactment of this bill is estimated to be a first year increase in state expenditures of \$135,000 to produce and distribute a document with the required information.

The enactment of this bill is also estimated to result in increased revenues for the state from the sale of additional cultural plates for the additional fee of \$25.00. The amount of such increase would depend upon the number of additional plates sold but is estimated not to be significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
